Subject: Re: amend bill 11

Well, wish things had turned out differently but I guess we have until January to make an amendment to this bill?...or a new one.

My current permits and insurance expire January 1 2013.

Please find a way.

the jobs lost will be your responsibility.

meanwhile we will continue to call the police on Kailua Sailboards and kayaks for ignoring Bill 5 and bill 11 with no repercussions.

You forgot to take out the rotten tooth with your elbows!

Aloha,

Josh Seymour
